

# *Intimate*

*(Dita and Patrícia session)*

*Intimate* is an animation short film made by visual artist Elena Tóxica based on two real characters, Dita and Patricia, and their relationship as a couple. The script contains fragments of intimate conversations that describe their love give-and-take. The piece has a fictional setting: it shows a conversation overheard by a mysterious peeping tom who records these sequences in the wild.

For the title sequence, an urban action event took place in Lavapiés, symbolic center of the lesbian community of Madrid.

*Intimate (Dita and Patrícia session)*, Madrid, Spain 2017.
